Antioch High Enrollment To Be Greater This Year New Principal Announces

Follows State and National Trends; Freshman Classes One-Third Larger

Previous registration of students in Antioch Township High school indicates enrollment for the coming year will follow state and national patterns with an increase of students, Principal R. C. Edmundson reports.

The number of first year students registering is about one-third greater than the number of seniors graduated in June. As the enrollments in elementary schools are much greater, high schools can expect more students for the next eight or ten years, the principal pointed out.

With the secondary school generally accepted as a school which all pupils between the ages of 14 and 18 years will attend, changes in the emphasis on educational program have been made, Edmundson said.

Departments which a decade ago were considered appendages to the general program are now becoming prominent and bulging with students, he explained. Most high school buildings erected 20 or more years ago were designed to house a narrow educational program which was primarily college preparatory.

Since that time, educators and the public have given a broader interpretation to secondary education. Today the departments of business education, industrial and physical education and home making are considered "musts" in the educational program of the secondary school.

As a result, secondary education administrators are finding it necessary to increase building facilities and add faculty members to these departments.

Last year the board of education employed an art teacher in conjunction with Warren Township High school at Gurnee, Principal Edmundson reported. About the middle of August, the Gurnee board of education informed the Antioch school authorities they had decided not to offer art this year.

It has been rather difficult to find a well qualified art teacher willing to accept a half-time position, Edmundson said. The board of education does not want to drop art, even temporarily, from the school program. With a heavy enrollment in industrial art and physical education, the board is considering hiring of a teacher who is qualified in those fields. If this is done, assignments of some teachers could be shifted to equalize the load in those departments, the principal explained.

Edmundson also announced hiring a new librarian to fill the position vacated by Mrs. Ewing. The new librarian is Miss Barbara Jean Duncanson, of Green Valley, Ill.

She is a graduate of Illinois State Normal University, June, 1950, and is attending the University of Illinois this summer. In addition to her regular duties in the library, Miss Duncanson may be assigned to teach some classes in mathematics, the principal said. She is well qualified for both assignments, he reported.

The principal announced that cards are being mailed to all students reminding them of the time schedule each is to follow when appearing at the high school building on Thursday, and Friday, Aug. 31, Sept. 1.

Gorgeous George Invades County for Wrestling Show In Round Lake Park Ring

Gorgeous George, the Hollywood "Orchid Man", will invade Lake County again, next Wednesday night, when he will wrestle Whitey Whittler at the Lake County stadium, Round Lake Park.

The match will be a two out of three fall verdict, with a 60 minute time limit.

Having defeated Chief Don Eagle in Chicago last winter, and fresh from a rough match with Lou Thesz in Wrigley Field, George is reportedly riding the crest of a national popularity wave.

In his last appearance in Round Lake Park, a capacity crowd watched the Gorgeous One perform. His match with Whittler promises to be as popular with the fans.

Promoter Fred Kohler has lined up an all-star supporting card with Zuma, the Man from Mars, tangling with Pat O'Dowdy of Texas. A tag match on the show will feature Bob Geigel, of the University of Iowa, and Jack Carter of New Zealand wrestling Wild Bill Brooks and Pete Barta.

Antioch Lions Club Starts Drive Among Merchants For New Light Donations

The Antioch Lions club started a petition drive this week to solicit the business district in an effort to raise \$2,500 for lighting improvements on Main st.

Bud Holtz, Lions club lighting fund chairman, is working with Frank Kennedy, of the businessmen's committee, in visiting merchants and requesting donations for the new lights.

The Lions club board of directors has proposed an offer of \$2,500 to the village for the lights. This sum is matched by \$2500 designated for lighting in this year's village budget. The total cost of erecting 14 mercury vapor lights on Main st. is estimated at \$7,500.

If the businessmen put up \$2,500, the Lions will give the same amount for the project. Their offer is pending final approval by the club membership. The matter will be discussed and a vote probably taken at a meeting to be held Monday night.

Red Cross Seeking Shelters in Antioch For Bomb Evacuees

Chicago, and Milwaukee Emergency Victims To Be Housed

Shelters for persons evacuated from Chicago or Milwaukee during war-time bombing or catastrophe are being sought by the Red Cross in Antioch, it was revealed here this week.

Grace Bryson, executive secretary of the North Lake County chapter of the Red Cross has asked Mayor James McMillen for a list of all local buildings that could be used as shelters for 30 or more people.

The Red Cross would also like a list of the names, addresses and code calls of all "Ham" radio operators. All local families are urged to take Red Cross first aid instruction to be ready in case of an emergency. A description of the Antioch plan in the event of emergency is also to be submitted to the Red Cross office in Waukegan.

The Red Cross is working in cooperation with the National Civilian Defense program in preparing for unforeseen emergencies. Since Antioch is within a 100-mile radius of both Chicago and Milwaukee, information concerning shelter and aid will be sent to both cities. The survey of local emergency aid facilities must be completed by Sept. 15, the Red Cross informed Mayor McMillen.

A list of all registered nurses and doctors in Lake County, giving addresses and telephone numbers, is now being prepared by the Red Cross for the county sheriff's office. This list was requested by Civilian Defense program directors.

Working with Mayor McMillen in gathering the information wanted is Herman Roising, member of the board of directors of the North Lake County chapter, American Red Cross.

Emmons School District Registration Wednesday

Old and new pupils of Emmons school district No. 33, will register at the school house next Wednesday from 10 a. m. to 12 noon, Miss Helen Wolfinbarger, teacher, announced today.

Books will be exchanged and new books ordered during the registration period. Classes in the school's eight grades will start Wednesday, Sept. 6, it was reported.

Antioch Fire Department Dance to be Held Sept. 2

The annual Antioch Fire department benefit dance will be held Saturday, Sept. 2, at the Nash garage on Depot st., Clarence Shultz, department secretary, announced this week.

Admission to the dance will be free. Games and contests will be held and refreshments served. Fire Chief Edgar Simonsen will preside over the affair.

Lions Name Zone Chairman

Al R. Kuseki, of North Chicago, has been appointed zone chairman of the Lions club, having jurisdiction over Antioch, Fox Lake, Libertyville, Round Lake and Waukegan.

The appointment was announced by District Governor Sherman H. Carty, Mt. Prospect. Kuseki will serve one year in the post.

Antioch Ball Club Upset In 10-Inning Thriller With Kenosha Cleaners

Locals Crack Under Strain And Lose 7 to 6 In Heartbreaker

For the second time this season Antioch traveled to Lincoln Park, Kenosha, for a ball game and for the second time, the tussle went into extra innings before it was decided. Unlike their first visit, however, Antioch was victim of a 7-6 upset by United Cleaners. The win was only the Cleaners' second of the year. Seven errors by the Vets practically made the triumph a gift. Three miscues in the first inning gave the Cleaners three runs and two more errors in the tenth presented the opposition with the winning run.

Antioch regained its hitting form to outrace the Cleaners 10-8. G. Fox, Pres. Reckers and Jack Crandall each collected two singles to pace the Vet attack. Douglas and Hunt each earned two bungles to lead the opposition. Sateberg came up with the longest poke of the day, a triple over the right fielder's head.

Ray Bushing and Vince Bonfiglio were the opposing slab artists. Neither hurler was particularly outstanding, although with better fielding Bushing would have been a 5-3 victor.

The game got off to a rip-roaring start as both teams tallied three runs in the first inning. Fox started things for Antioch by walking. Reckers was called out on strikes and Palenski flied to right. Dick Scott then walked. Jack Crandall lined a single down the left field line. Fox scoring and Scott also scoring when Douglas bobbed the ball. Crandall took second on the throw to the plate and scored when Bushing slapped a grounder which the third baseman let go through him.

The V. F. W. however, couldn't stand prosperity so promptly helped the Cleaners to the score. D. Scott started by bobbling Hunt's ground

Sgt. Lihm to Handle New Recruiting Radio Show Over WKRS

A new radio series to be sponsored by the US Army and US Air Force Recruiting Service for Lake County will start this week, it has been announced by the Waukegan office.

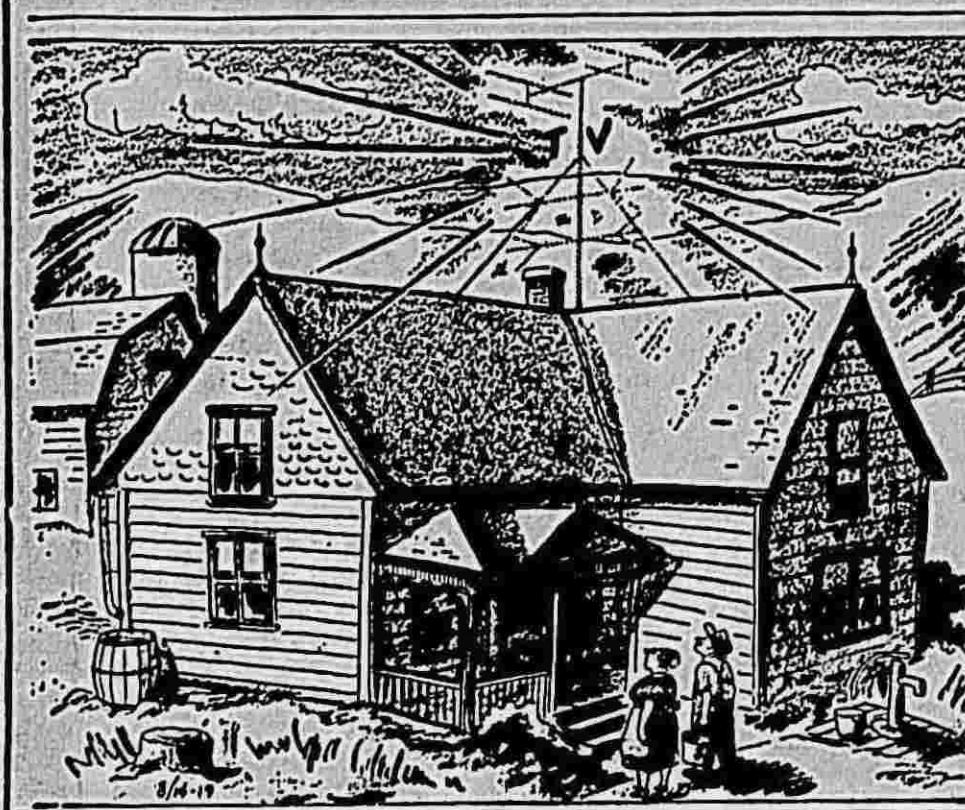

The series will consist of weekly fifteen minute programs featuring the latest news concerning residents of Lake County in the Armed Forces, the latest news concerning pertinent recruiting and selective service changes of regulations will also be covered. Also featured will be a question and answer service dealing with any question or problem connected with the Armed Forces.

Sgt. 1/c Miles I. Lihm will handle the programs, the first of which will be heard at nine thirty Saturday morning, August 26, 1950 and at the same time each week thereafter over radio station WKRS.

All residents of Lake County are invited to submit information concerning friends or relatives in the Armed Forces for use on the program. Everyone is also urged to make use of the question and answer service to be featured. In cases where the program cannot render direct service persons will be referred to the proper organization for the help or information they may be seeking.

For either the submitting of news or the requesting of information all concerned may either address written correspondence or telephone. Mail should be addressed to: Recruiting Service, Station WKRS, Waukegan. Telephone calls may be made to Ontario 8000 or 5260.

Lake Villa Community School Opens Sept. 6; To Register First Day

Bus Routes Will be Same; Temporary Class Rooms To Be Used

The Lake Villa Community Consolidated school will open this year on Wednesday, Sept. 6, at 9 a. m. Only a short session will be held on the first day to register the pupils and to give out instructions on books, school bus schedules and other information. The school buses will pick up the pupils at the same time and at the same stops as was done at the close of school in the spring. The buses will bring the pupils home at the close of the first days session. Pupils will be notified on the first day of any changes to be made in the bus schedules.

Due to the fact that the new addition to the school will not be ready when school starts, it will be necessary to use temporary class rooms again this year. The first grade, and a second grade will be located in the Village Hall. A combination group of second grade and third grade, will be housed at Cedar Lake School. The rest of the third grade will use the Sand Lake school building temporarily. Grades four through eight will be located at the Lake Villa school. The contractor assured the Board of Education that four of the new classrooms will be ready for occupancy some time in October. At that time all pupils from the Village Hall, Cedar Lake and Sand Lake will be moved into the new classrooms.

Pupils should register as follows on Wednesday, Sept. 6; all first and second graders register at the Village hall; all third grades register in the gymnasium at the Lake Villa school. All fourth through eighth graders register in their classrooms at the Lake Villa school. On Thursday, Sept. 7, all first and second graders should report to the Village hall and all third graders to the school gym. They will then be assigned to their proper building and taken there by the buses.

The hot lunch program will start at both the Lake Villa school and at Cedar Lake school on Thursday, Sept. 7. Pupils at the Village hall and Sand Lake will be brought by bus to the Lake Villa school for their lunches. The lunches will cost 20c per day, the same as in past years. Parents should send lunch money with their children on Thursday, the first day of school, if they wish to participate in this program.

All textbooks will be rented to the pupils. Then rental rates are as follows: first through third grade, \$2.75; fourth through sixth grade, \$3.00; seventh and eighth grade, \$3.25. Each pupil should bring his book rental money on Thursday, Sept. 7. The payment of the rental fee will entitle each pupil to the use of all textbooks and workbooks for the entire year. No textbooks will be issued to a pupil unless the rental fee has been paid unless satisfactory arrangements are made before hand with the teacher or principal.

All children who will enter first grade this year must be six years of age on or before December 1st, 1950. Those parents who did not register their child for first grade last spring must bring a birth certificate or some other proof of age when they register them this fall. All other new pupils who will be entering Lake Villa schools for the first time this year should bring a report card or transfer card from the last school attended.

All-City Softball

Tourney Tonight At High School

Firemen, Lions and Moose Tangle in Benefit Games Show

Tonight's the night for the big All-City benefit softball game featuring the Antioch Lions club, Antioch Fire department and Antioch Moose in a two game round-robin at the Antioch High school lighted diamond.

Proceeds from the games will be used for improvements in the new Antioch park, located in the rear of the Boy Scout home, and the new library.

The first game tonight starts at 7:30, between the Firemen and the Lions. Winner of the twilight encounter will take on the heavy-hitting Moose aggregation under the lights. Stars of the losing team in the opener will probably join the winners in their battle with the strong Moose club.

The Firemen will be captained by his honor, Mayor Jim McMillen. Their roster is as follows: Jim Miller, 3b; Harry Willett, 1b; L. R. Van Patten, Jr., rf; Red Frazier, cf; George Wagner, c; Earl Pace, ss; Dan Sheahan, 1f; Dud Kennedy, p; Ed Simonson, 2b; and Tod Mapleton, 3b. On deck and ready to take over will be Jim Mapleton, Irv Walsh and Barney Barnstable.

Raring to go against the Firemen, the Lions team will lineup like this: Bill Brooks, 2b; Red Murrie, 1b; Len Robin, cf; Harry Lydick, 3b; Tony Stanish, ss; Harold Cardiff, p; Art (Daddy Longlegs) Smejkal, lf; Tony Scully, cf; George Hawkins, rf; and Bill Horton, c. John Dupre and Clarence Olson will substitute.

Taking the field under the lights, the Moose club will field one of the greatest teams ever organized in Antioch. Their lineup is: Bill Meyer, 1b; Wally Good, lf; Joe Gorlitz, 3b; Joe Busza, ss; John Benes, cf; Bill Johnson, c; Wes Reeves, 2b; Jack Smith, ss; Ed Carney, rf; and captain; and Art Meyer, p. In reserve will be Neal Carney and Ed Walters.

In charge of collections at the games will be Father Ehrhardt and his Cub Scouts. Many Antioch business establishments will close doors during the game. A record crowd is expected to watch the slingers battle it out for the city championship.

Promoters of the benefit are the Antioch Lions, Antioch Moose and Antioch Firemen. They promise plenty of laughs and excitement and urge everyone to attend.

Push Plan for County Water District to Tap Lake Michigan Supply

Plans to provide Lake Michigan water to all inland towns of the county were furthered last week with the announcement of a steering committee to help organize a Lake County Water district.

Among the committee men chosen to work out the inland water plan are Eldon Gleason, village president of Mundelein, and Warren Nicholas, village trustee of Libertyville. Both Mundelein and Libertyville are in dire need of water now.

Other committeemen are Kent Chandler, Lake Forest; LaVerne Dixon, Gurnee; Lee Fleming, Zion; Robert Patton, mayor of Highland Park; and James F. Stiles, Jr., Joseph P. Welch and Charles L. Whyte all of Waukegan.

John P. Kotcamp, of Waukegan, is general chairman of the water project. E. A. Menke of the Public Service Co., in Waukegan is secretary of the organization.

Antioch now has a good supply of water, it is reported. However, tests in the vicinity show that the water level has dropped here in the last several years. The time may come when water will be a problem here.

The water district plan will bring water from Lake Michigan shoreline pumping stations into the county through mains and branch conduits. There will be no tax for the project. It will be financed through the sale of water to municipalities, individuals, clubs or institutions along the route of the mains.

Economic Highlights

The tragedy in Korea has demonstrated a fact that many of us, including highly-placed military men, had tended to forget—that there can be two kinds of war.

Up to the time that North Korea sent her troops pouring across the 38th parallel, we had been thinking in terms of the "big" intercontinental war. This, if it came, was to be war on an unprecedented scale and of an unprecedented type. It was to be war of amazing machines which would wreak death and destruction on a huge scale and at vast distances. A button would be pushed, and an atom bomb or a guided missile would be on its way toward the target. It would be a war of science and technology. Some thought it might be a war in which a decision would be reached without any ground action at all, and without opposing troops coming face to face.

No one can say that these concepts are wrong—they might hold true in that "big" war the world now fears. But it is clear that they do not apply in Korea.

In Korea we have a war in which the traditional, relatively simple weapons are all-important. The man with a gun in his hand must do the fighting. It is the most difficult and dismal sort of war imaginable. Great troop movements of the sort that took place in Europe in the last war are impossible. Everything is based upon the small unit—the battalion, the company, the platoon, even the squad. The importance of the individual soldier is supreme—if one man fails, disaster to many may follow. In this, the war is comparable to the jungle operations against the Japanese during the island-hopping period that preceded the Empire's surrender.

We are fighting an enemy whose habits and

thoughts are incomprehensible to the Western mind. The cruel fanaticism of the Orient finds its perfect reflection in the Korean soldier. Human life is worthless, death but an incident. No matter how many are killed, more come on. North Korean casualties have been infinitely greater than ours. But the offensives have been pushed in spite of them.

The Koreans have proven themselves extraordinarily adept at infiltration, and at guerrilla activity. This, in the first weeks, was one of the worst problems faced by the Americans. The enemy seemed to be everywhere, and foe and friend looked alike. The Korean soldier accepts the greatest of hardships with apparent equanimity—he has known little but privation all his life. He can sleep anywhere. A handful of the coarsest food sustains him. Supply, as we know it in the American army, is unknown to him.

Worst of all, it is clear, we had not planned for this war. Our eyes were elsewhere—in Formosa, Iran, Europe—even as our minds were considering the other kind of war. And so, in every way, we were completely surprised.

The lesson we have learned is a grim one. We must be prepared for any kind of war—and for war almost anywhere. We have never faced a harder task.

The Low Down From Hickory Grove

You know, most folks figure that their grandma and grandpa were skookum persons. But what I choose to pop off my bazo about now is, that most of us are not in the same class for sturdiness and horse-sense, as were our forefathers. Now don't get mad—and quit reading—I may say something.

We must win our New War—am for same, everybody is—regardless of cost. But while we are pouring out dinero for guns and ammunition, we should not be crippling our effort—and make the job tougher—by also pouring out other millions of unnecessary left-handed experiments. As we gaze across the oceans and find how little we have in the way of equipment and weapons from our past 5 years of spending of around 60,000,000,000 on defense, what is cooking on the home front now, today. It is Socialism coming in at the back door—the Govt. is barging further into everything. When some Senator—like this Paul Douglas person of Illinois—says, as a beginning, let's cut out some fancy reclamation expenses on account our crops are already too enormous, what happens. The other senators howl him down.

It will be a flimsy kind of victory to lick the communists in Korea and then find we been donating our time, and wake up with Govt. ownership and socialism ensconced in the saddle here at home. Grandma and grandma would not have been slickered in such fashion—not on your tinfoil.

Yours with the low down,
JO SERRA

Triangle Bait Shop Owner Collapses on Main Street

Keith Dickson, 54, owner of the Triangle Bait shop at Loon Lake Corners, collapsed on the sidewalk near the MariAnne dress shop, Main St., Antioch, about 8:30 p.m. yesterday.

Town Marshal Walter I. Scott administered artificial respiration until the Antioch Rescue squad arrived.

Oxygen was given the stricken man for about 15 minutes after he had regained consciousness. He was treated by Dr. Melvin L. Goldy.

A crowd gathered at the scene hampered rescue operations as Dickson was put in the Rescue Squad ambulance and taken home. Reportedly suffering from diabetes, it is believed he became ill from effects of that disease.

Moose Club Softball Team Divided Pair Of Games

The Moose club softball team divided a pair of games last weekend, losing to Woods Drug of Lake Forest 16 to 15 Thursday and whipping the Racine Moose by 14 to 12 count Friday night.

Lake Forest gained revenge through the one-run victory, for a previous loss to the local Moose also by a single run. The visitors were led by Butterfield, Fabaner and Goedner with three safe blows apiece.

Johnson, Benes and Buszta paced a 24 hit attack by the Moose club with four hits apiece.

In Friday's victory over Racine, the Moose Club unleashed a 19 hit barrage, with Mill Meyer and Johnny Benes gathering three apiece. Art Meyer and Wally Good were on the hill for the visitors.

Racine pounded out a total of 20 hits, and very nearly upset the local club with a 10 run rally in the last inning.

Two tough home games confront the Moose club this week, as they take on the winner of the Lions club and Firemen clash at the High school diamond tonight at 9 p.m. and meet the Waukegan Moose club Sunday in a regularly scheduled league game.

To Hold Anniversary Mass Here for Cermak Grandson

An anniversary mass will be said Tuesday in St. Peter's church, Antioch, for 1st Lt. Anton J. Cermak Graham, who was killed six years ago in the World War II battle for Brest, France.

Lt. Graham was the grandson of the late Mayor Anton Cermak of Chicago. His parents are Mr. and Mrs. Richay V. Graham, of 1341 Park Ave., River Forest. Anniversary mass will also be said in St. Vincent Ferrer church, River Forest, on Tuesday.

Antioch School Bus Drivers to Receive Red Cross Training

All Antioch grade and high school bus drivers will take Red Cross first aid instruction Monday night, at 7:30 o'clock, in Antioch Township High school.

William Weber, of Waukegan, First Aid chairman of the North Lake County chapter, American Red Cross, will conduct the instruction. Several Antioch instructors will be present.

Anyone interested in taking the instruction course should report to the high school. The course is compulsory for school bus drivers.

Christopher Columbus

Christopher Columbus, 1950 version, is a young ensign in the Spanish navy who bears the noble titles, Duke of Veragua and Admiral of Castile. When he took his entrance examinations for the Spanish naval academy, he failed in only one subject—navigation.

Making Haylage Safe

Be sure that all haylage equipment is in sound condition and in good repair. Also, handle forks carefully and avoid falls.

OUR DEMOCRACY — by Mat

"The Foundation of Every State is the Education of its Youth." — DIODENES

THE SAME BASIC IDEA THAT DIODENES PUT INTO WORDS, MORE THAN 2000 YEARS AGO, WAS THE PHILOSOPHY OF THE PIONEERS WHO ESTABLISHED OUR SYSTEM OF EDUCATION.

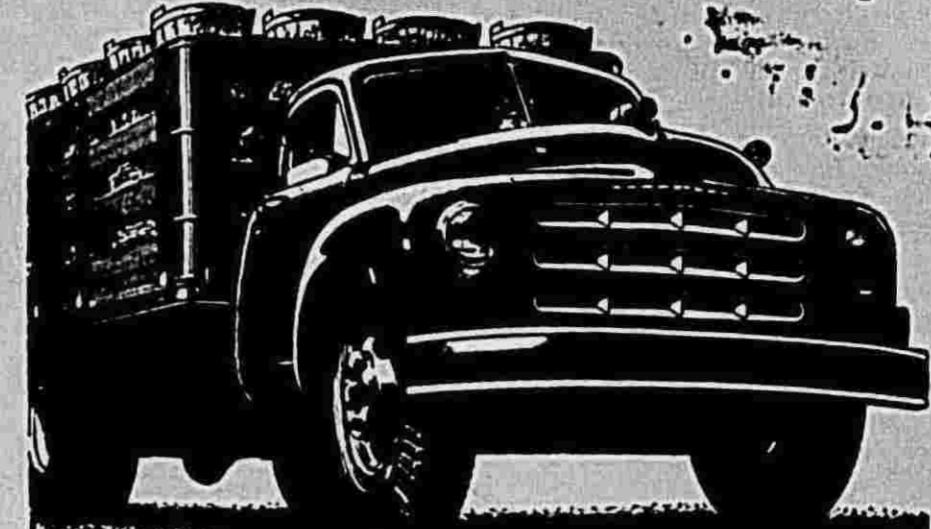

AND TODAY, WHILE ALL CITIZENS COOPERATIVELY SUPPORT OUR SCHOOLS THROUGH TAXES, THE HIGHER EDUCATION OF OUR YOUTH IS PURCHASED BY THRIFTY PARENTS WHO PROVIDE EDUCATIONAL FUNDS FOR THEIR CHILDREN, THROUGH LIFE INSURANCE AND SAVINGS ACCOUNTS—AN EVER-BROADENING FOUNDATION IN THE DEVELOPMENT OF OUR DEMOCRACY.

Jim Taylor was asking me to find out what's bothering his wife, Sally. It seems she's just all of a sudden fed up with having to plan ahead every time she wants to use hot water. She can't decide on the spur of the moment to wash her hair, or polish off a hamper of laundry... she has to think of it an hour or so ahead of time to be sure of having hot water. And now she's shooting sparks about the whole thing. Jim thinks she needs a vacation or something.

My husband thought I needed a vacation last year about this time, too. But I told him I'd settle for an automatic GAS water heater. It was less expensive and it's saving my disposition (and time and energy) all year 'round, instead of for just two weeks. The laundry's a snap...housecleaning is child's play... and we have all the hot water we need for just a few cents a day.

So I told Jim, and I'll tell your husband, too...just having an automatic GAS water heater is a vacation in itself!

See your plumber, appliance dealer or our nearest store. SMALL DOWN PAYMENT... and up to 24 months to pay balance with your Service Bill.

The Moose club softball team di-
vided a pair of games last week-
end, losing to Woods Drug of Lake
Forest 16 to 15 Thursday and whip-
ping the Racine Moose by a 14 to 12
count Friday night.

Lake Forest gained revenge
through the one-run victory, for a
previous loss to the local Moose club
by a single run. The victors were

led by Butterfield, Fabaner and

Goeldner with three safe blows
apiece.

Johnson, Benes and Buszta paced

a 24 hit attack by the Moose club

with four hits apiece.

Mr. and Mrs. Byron Patrick entertained at dinner Sunday evening for Mr. and Mrs. E. H. Hartnell, Mr. and Mrs. Frank Wheeler and son, Goffery and Mr. and Mrs. Robert Patrick and son, Garry.

Mr. and Mrs. Clarence King and Mr. and Mrs. Arthur Feldkamp attended the Milwaukee Fair on Sunday.

Laugh Treatment

Feel kind of stiff and tense when you go to bed? Try a broker's laugh treatment. He starts laughing after he gets into bed, artificially at first, but soon funny experiences come back to him and the laughter becomes genuine. After he has laughed himself into a pleasantly relaxed state of well-being he is ready to succumb to the sleep-inducing charms of a good, quality, comfortable bed.

Ohio's Minerals

While Ohio has none of the glamorous minerals—such as gold, silver and the like—it does have the minerals that might be called the "work horses of industry." The value of these minerals produced in Ohio is more than that of all the gold, silver and precious stones produced in the United States for a like period.

Home-Made Nails

Colonial farmers and their families used to make nails in their homes during long winter nights from iron furnished by local forges.

Fried Turkey

Fried turkey may become as popular as fried chicken, according to the U.S. department of agriculture.

**Farmer's Question Corner**
PREPARED BY
American Foundation For Animal Health**The Nation's Worst Swine Killer**

QUESTION: What disease kills the most swine in America?

ANSWER: Hog cholera is by far the worst killer. It destroys about \$20,000,000 worth of hogs a year.

QUESTION: What causes it?

ANSWER: A virus—too small to be seen even under a microscope. The amount you could get on the point of a pin could kill an entire herd of hogs.

QUESTION: Can you tell when a hog has cholera?

ANSWER: That's one of the worst things about hog cholera—a number of other maladies may show symptoms like it. Usually the first symptoms of cholera include loss of appetite, fever, weakness and prostration. Pigs may start dying rapidly.

QUESTION: Can cholera be cured?

ANSWER: There is no cure. Pre-

vention is the only answer. Hog cholera losses can be cut down to almost nothing by proper vaccination of pigs around weaning time.

QUESTION: Any special points to bear in mind about vaccination?

ANSWER: Yes. Only healthy pigs in good condition should be vaccinated. Otherwise, vaccination with serum and virus may cause bad reactions. A careful examination should always be made by the veterinarian to determine whether or not the pigs are in proper condition for vaccination. Another important point: The virus is dangerous and should be handled only by someone who knows how; and one who understands sterilization of equipment and other precautions.

IMPERIAL...is the word for it!

"Imperial," says Webster, means "superior excellence." IMPERIAL, says Chrysler, is this luxurious new car that excels anything on wheels in the sheer exquisiteness of its styling. Come look inside this reigning beauty...look at the lavish wool broadcloth fabrics, tastefully combined with topgrain leathers. Look at the lovely color harmonies, the soft sheen of the butter-finished chrome. Consider the advantages of Fluid Drive...exclusive new automatic transmission...Waterproof Ignition...Full Flow Oil Filter...High Compression Spitfire Engine...electric window lifts...the CLEARBAC rear window for exceptional driver vision...and dozens more. Surely, of all the world's fine automobiles, only the Chrysler CROWN IMPERIAL, this car's running mate, achieves the same aristocratic distinction. Come see the flawless workmanship, the fine materials, the superb Chrysler engineering...and you'll agree that no other car, at any price, compares with the Chrysler IMPERIAL. Inside or out, there is no finer car in America!

ONLY THE CHRYSLER IMPERIAL offers you this absolutely unique system of window control. Each window has its own separate electric motor...each one can be raised and lowered independently from the driver's seat or at the window itself. And that's not all! So many other deluxe features...the kind you think of as being in the "special order, extra cost" category...are STANDARD EQUIPMENT on the Chrysler

Imperial. For example: armrests on all four doors...foam rubber seat cushions and seat backs...double-width center armrest in front as well as rear seats...stainless steel wheel covers...white sidewall low-pressure tires...carpeted luggage compartment...Full Flow oil filter and many other engine features. You get all these extras as standard equipment with your beautiful new Chrysler Imperial.

New beautiful Chrysler Imperial...
one of 21 lovely Chrysler body styles!

Inside and out...it has no equal at any price...

Lake Villa

The members, adults and children of the church school enjoyed a picnic at Fox River Park on Wednesday this week. They left in time to have dinner at the park, followed by games, races, contests, etc.

The choir will be in place next Sunday morning for the worship service at the Community church and practiced at the church Wednesday evening. The members have been having a vacation during August.

The Official Board of the church held a meeting Wednesday evening this week with Mr. and Mrs. Glenn McNeill as hosts at the church.

The W. S. C. S. will resume its activities on Wednesday, Sept. 6, with a meeting at the church basement with Mrs. Bray and Mrs. Boyer as hostesses. The ladies had a vacation during August, so there will be a great deal to do, planning for the coming months. Dessert luncheon at 1 o'clock.

W. S. C. S. is assisting at the library for the coming three weeks. It is open on Tuesday and Saturday. Russell Nickerson returned home Saturday from St. Therese hospital

When You Feel Weak as a Cat

If you have that good-for-nothing feeling, like you are half-sick and not well, and your nerve energy is low and low, the chances are it is one thing; doctors call it:

BLOOD POVERTY
Your blood cells may be fagged-out or shrunken, and you might not realize it. Even if you eat the "best" food you may not be getting all the good out of your meals simply because you have SLOW Digestion, that's knowing it (or gassy stomach) and as a result you are a victim of Blood Poverty! In other words, our blood is not getting the fullest nutrition of what you eat. So your food cells become worn-down and you have only half as much energy. If you really need, you get up in the morning still tired, and your nerves become dull.

Hundreds here in Antioch suffered from it until they got CERTA-VIN. This is the new medicine containing 12 Herbs blended with Vitamin B and Iron; you take it before meals and it works with your food. Benefits comes quickly. Your food digests FASTER, with less gasiness, and you get more good out of your meals. In a few days your blood is energized with new red cells and your nerves become stronger. Weak, rundown people tell us they soon feel different all over. And best of all, our price on CERTA-VIN is reasonable. You can actually take this New, modern medicine for only a Few Cents a Day! don't go on feeling half-sick and t-well. Get Certa-Vin - Reeves' Store.

LAKE VILLA

(Continued from preceding page) week with her parents, Mr. and Mrs. Arthur Nauta.

Mr. and Mrs. Charles Rother and children, of Chicago, Mr. and Mrs. Eddie Krook and daughter, of Waukegan, and the Edwin Kapple family, of Cedar Lake, helped their father, Albert Kapple, celebrate his birthday anniversary at his home at a family dinner last Sunday.

Johnnie Hamlin celebrated his seventh birthday on Tuesday afternoon last week when his mother invited some of his small boy friends in for a party at his home.

Mrs. Stella Pedersen, Mrs. Georgia Avery, Mrs. Lutie Boehm, Mrs.

Lulu Nelson, Mrs. Cora Hamlin and Mrs. Julie Nicolai and her nephew, Frank Galiger, son of Louis Galiger, who lives in Wisconsin, spent Tuesday last week at the Chicago fair. Nancy and Diane Sheehan, of Antioch accompanied their grandmother, Mrs. Avery.

Willard Ladewig was a medical patient at St. Therese hospital last week and has entered Downey Veterans hospital for treatment.

Mr. and Mrs. Walter Schneider and Mrs. Tony Selser were in Springfield on Thursday to attend the State Fair there.

Due to an error in last week's items concerning the ham supper served by the O. E. S. at Millburn, Mrs. A. H. Johnson was mentioned as chairman, when it should have

been Miss Alice Pearce. We are sorry.

The Cedar Lake Park Association held a picnic at the north end of Cedar Lake over last Friday and Saturday and Sunday with all the amusements and features of a carnival, with games, races, prizes and refreshments. In spite of cool weather, the attendance was good.

Miss Eula McCracken, of Chicago, spent from Thursday to Sunday with her cousin, Mrs. Lulu Nelson, at the Carl Ekdaahl home.

Mr. and Mrs. Delbert Sherwood were dinner guests of friends at Highland Park on Sunday, and on Saturday night Mr. and Mrs. Sherwood had as guests the Rowland Pierson family, of E. Lansing, Mich.

They will be remembered as having lived here while his brother, Ray Pierson, was pastor here. Rowland is instructor at E. Lansing college and Ray is assistant pastor in a large church in Pittsburgh. The Pierson family was on their way to Iowa to visit relatives.

Mr. and Mrs. Edwin Kapple and Mr. and Mrs. Lawrence Williamson entertained twenty nuns from a Chicago parochial school at their home at Cedar Lake on Tuesday this week.

Cattle's Appetite
Fattening cattle can be expected to eat the equivalent of two and a half to three per cent of their body weight as a day's feed.

Potash Deficiency
When the edges of the leaves of growing corn plants turn brown and scorched-looking in appearance, this may be a sign of potash deficiency.

Calf Feeding
When respiratory diseases strike each new crop of calves on a farm, the trouble usually can be traced to poor feeding practices or badly contaminated quarters.

Spain's Fishing
In Spain, which is about twice as large as Oregon, 8,000 rod-and-line fishermen live by catching trout and salmon for market. Trout and salmon streams abound, but netting is forbidden.

Texas' Population
If Texas were as thickly settled as Rhode Island, the Lone Star state would be able to boast a population of almost 178,000,000.

FIRST OF THE FINE CARS IN VALUE

**BIG MOMENT-****with a Double Impact**

I

It's a big moment when any

new car rolls up to your door

and you start out fresh and

spanking bright.

Think, then, what it's going to

mean when that new car is a

ROADMASTER like this one pic-

tured here.

You'll swing wide the door and

slide into a car that's truly fine—

and looks it.

You'll put foot to treadle and

touch off the might of a great,

152-horsepower Fireball straight-

eight that's ready to master any

road—or anything it meets there.

You'll have the silken magic of

Dynallow Drive to simplify your

driving, ease your way. A hand-

some flexible steering wheel, auto-

matic windshield washers, soft

Foamtex cushions, and many

other items that are "extras"

elsewhere are standard equip-

ment here.

But even while you enjoy all

that, you've a still deeper satis-

faction enriching your pleasure.

For here you have not only a fine

car, but a sound and frugal in-

vestment as well.

You have paid less per pound than

any comparable car costs—and

automotive men will tell you

price per pound is the soundest

measure there is of solid, thor-

oughgoing merit.

You've bought quality—top qual-
ity—all the fine things a fine car
should provide. But you haven't
spent a penny more than a fine
car need cost.

And that can mean a lot. For in-

stance—Drop in on your Buick dealers;
Try out a ROADMASTER. Match it,
feature by feature and point by
point, with any other fine car
on the road.

Then get the price.

You may well find that you can
get not only a new ROADMASTER
for the sum you had in mind—but
maybe a new fur coat for your wife
as well!

SHORT STORY
Strange Spectacles

By Richard Hill Wilkinson

ON THE MORNING of Aug. 4th, Sandra Hunter glanced through her bedroom window and saw a strange spectacle. Between the great white house and the street was a wide expanse of lawn, and this lawn was at present occupied by a young man pushing a lawn mower.

Sandra didn't know what to make of it. She remembered that her mother and father were away for the weekend and that the servants were in the rear of the house.

By the time she had dressed and ventured outdoors, the young man had finished his mowing and was resting in the shade of the veranda. "Will you kindly explain what this is all about?" said Sandra. "I just mowed your lawn as it should be mowed."

"Should be mowed?" Sandra puckered up her brow. "What do you mean, 'should be mowed'? Who are you? And where is Rufus, our gardener?"

"I'm Jerry Leonard. I bribed your gardener this morning to let me mow your lawn. You see, I have to drive by your house every morning on my way to work, and every morning I've noticed that Rufus cuts the lawn unevenly."

"Well of all things!"

"Besides, I've been wanting to meet you since last June."

"Meet me?"

"Yes. My mother and I moved into the old Saunders place last June and, the day after, I saw you and decided I had to meet you. I noticed your lawn and thought of the idea of bribing Rufus. It was like killing two birds with one stone." He grinned. "I knew your father and mother were going to be away."

"Why, the very ideal! I can't believe you're serious."

Jerry Leonard scratched his head. "I was never more serious in my life. Shucks! I'm sorry if you feel the way you look."

"The way I look!" Sandra began to wonder how she did look.

A dozen retorts came to mind but they all seemed flat and inadequate, almost silly. She hesitated for an instant longer and then turned abruptly and strode back to the house.

Jerry Leonard watched her go and into his face there came a look of disappointment.

THROUGHOUT the day Jerry was conscious of a forlorn misery. All his carefully formed plans had proved fruitless. At 5 o'clock he

"I've been hoping you'd speak to me for ever so long," Sandra said, "but you gave the impression of being rather high hat."

drove home via a route that did not take him past the Hunter estate. Leaving his coupe outside in the drive he entered the cottage by the rear door and found a note on the kitchen table, left there by his mother, which advised him that she had gone to a church supper and that if he didn't want to come too he'd find some warmed-over things in the oven.

Jerry moodily ate the warmed-over things and afterward stepped outside to smoke a cigarette. He was about to ease himself comfortably onto the doorstep when he chanced to glance toward the drive. He blinked, rubbed his eyes, swallowed. "What the devil!" he said.

As he approached, the girl who had been washing the automobile's wheels straightened up and stood off to survey her work. It was Sandra Hunter.

"What the Dickens," said Jerry, "are you up to?"

"Oh," she said. "Hello." She gestured toward the coupe. "Dirty wheels. Been getting on my nerves for weeks."

"Wha—what?" said Jerry. "I've noticed you driving by every day from my bedroom window. Rest of the car looks fine, but you always seem to forget the wheels. Very annoying."

Jerry puckered up his brow. He peered at the girl very intently. His face was grave. He said, "Is that all?"

"No," said Sandra. "I've been hoping you'd speak to me for ever so long, but you gave the impression of being well, rather high hat. This seemed like a logical method to promote friendly relations," she grinned. "You see, I knew your mother was away."

Antioch Ball Club . . .

(Continued from page 1) ball. Kilmer walked and both runners advanced on a wild pitch. Piehl fouled out. Marv Bonofoglio then rolled to Scott and Kilmer was called out for interfering with Scott as he tried to play the ball. The play kept Hunt from scoring. Schilling then struck out on a bad pitch which got away from Ellis. Schilling was safe and Hunt scored when Ellis threw wildly to first. M. Bonofoglio also reached home safely as Wells threw the ball a foot over Ellis' head. Schilling took third on the play and scored on Douglas' single to left. Sateberg flied to Reckers to end the inning with the score at 3-3.

The V. F. W. took a momentary lead in their half of the second. Ellis struck out but Ray Scott grounded a single to right. Fox singled to center. Reckers then lined a single to left to score Scott. With Fox on third and Reckers on second a case of faulty signal-giving severely jolted proceedings. Palenski bunted to the pitcher who threw to the plate to easily get Fox who was unaware that a squeeze play was in the offing. Dick Scott then struck out to end the inning.

The Cleaners quickly regained the lead with two runs in their half of the second. Hancey and V. Bonofoglio both walked. Bushing then picked Hancey off second base but Hunt slapped a double down the left field foul line. V. Bonofoglio scoring the tying run. Kilmer walked. Piehl singled to center. Hunt scoring. Kilmer took off. Scott on second with the Vets scoreless.

In the ninth Antioch finally rallied to tie the score. Fox led off with a single to center. Reckers walked, Palenski fouled to the catcher, but Dick Scott singled off Hancey's glove. Fox scoring and Reckers taking second. Reckers then raced home from second with the tying run as Crandall was forcing Scott at second.

The Kenosha ninth almost gave Antioch heart failure when the Cleaners got men on second and third with only one out. D. Scott, however, threw out one man and Reckers made a nice catch of a curving liner to end the threat.

The fatal tenth proved to be quite a blow to Antioch partisans. After Wells fled out, Herb Ellis blasted what appeared to be a home run down the right field line. Antioch cheers were quickly stifled when Ellis was called out for failing to touch first base.

The Kenosha tenth saw Antioch crack under pressure. M. Bonofoglio rolled out Bushing to Wells. Schilling then rolled to Scott who bobbed the ball but recovered in time to get the man at first. Wells took his foot off the bag, however, and Schilling was safe. Schilling stole second as no one covered the bag. Douglas walked. Schilling then stole third. Sateley popped to Scott. It looked like the inning was over as Saturite hit a foul to the left of third base. Palenski, over-anxious, however, lost track of the ball and Saturite had another chance. Saturite then took a terrific gamble as with two out he tried the squeeze play. The bunt was perfect and the winning run scored as Bushing fumbled the ball, fell down, made a poor throw to first.

Next Sunday Antioch will make up their rained out contest with Wilmot at Fox River Park. Two weeks ago the Vets were set down with but two hits. Last week, however, they were meeting the ball well and are anxious to show Wilmot that the last game was just one of those days.

Antioch Firemen Extinguish Roof Blaze in Farm Home

A chimney fire at the C. F. Richards farm home on State Line rd. was extinguished Sunday by the Antioch Fire department.

The blaze reportedly started in soot gathered in the chimney after the furnace had been cleaned. A large hole was burned in the roof of the house before the fire could be put out.

Dramatic Living Room

A dramatic modern interior combines flame color and black against walls, ceiling and trim painted a soft gray. The interior of the black-lacquered cabinet with shelves is coated in scarlet tone that matches the upholstery of the sofa and the seats of the blond wood chairs. Draperies at the window are black and white; the floor covering, deep gray.

Marco Polo

Marco Polo was only 17 years old when he set out on his fabulous voyage to China. At the time, young Marco had a lot of adventurous spirit and very little experience as a world traveler. He made the hazardous trip in the company of his uncle and his father who both were seasoned explorers.

TWO VACCINES CUT FEEDER LAMB LOSS

Ever since modern transportation made possible our huge feeder lamb

Both have caused heavy death losses that cut sharply into the feeders' profits. One is called enterotoxemia — or "overeating disease" — and the other, erythema — or "contagious sore mouth."

So research veterinarians set out to find something which would put an end to this costly condition. Responsible for enterotoxemia, they found, was a germ of the gas gangrene type, a germ that gives off poisons. The research was culminated when the veterinarians produced a vaccine which is now proving highly successful as an aid in protecting lambs from enterotoxemia.

The cause of "sore mouth", a virus, was discovered by a Texas veterinary scientist. He perfected an efficient method for making a vaccine which would immunize sheep against this disease. His method, incidentally, was much like one which is used to make a vaccine for protecting human beings against smallpox.

These two contributions to science are now being used in all countries where sheep are raised, and are contributing much to lamb feeding profits.
